About Fineshine Foods

Fineshine Foods is a US-based import and export trading company, operating from the State of New Jersey (registered as Fineshine Foods LLC). We bridge the gap between premium food manufacturers in Asia and the growing demand in the American wholesale market.

As a merchant trader, we take ownership of every step in the supply chain — from vetting manufacturers and negotiating pricing, to coordinating quality control, documentation, and logistics. Our US buyers work with one point of contact, one invoice, and one set of compliance standards.

Based in New Jersey, we sit at the crossroads of America's busiest import corridor, with direct access to major East Coast ports and distribution networks that reach every corner of the country.

Our Commitments

- **Vetted Suppliers** — We only work with quality-verified manufacturers
- **Competitive Pricing** — Direct relationships eliminate unnecessary middlemen costs
- **Reliable Supply** — Consistent stock availability and on-time delivery
- **US-Based Partner** — Local point of contact understanding US market needs
- **Certified Products** — Halal, Organic, and food-safety compliant across our range
- **Flexible Orders** — Custom packaging, labeling, and MOQ options available

Who We Serve

- Wholesale food distributors and regional bulk importers
- National and regional grocery chains
- Ethnic and specialty food retailers
- Food manufacturers and ingredient processors
- Private label brands and online food businesses

Global Sourcing. Reliable Supply.

01 — Basmati Rice

Fineshine Foods supplies premium Basmati Rice sourced directly from the finest growing regions of Asia. Our rice is aged for enhanced aroma, milled with precision, and delivered in full container loads. Every grain meets international specifications for length, moisture content, purity, and aroma — with full certification documentation included in every shipment.

Available Varieties

- **1121 Extra-Long Basmati** — Flagship variety with 8.3mm+ grain length and exceptional aroma
- **Super Kernel Basmati** — Premium thick-grained variety with rich aroma
- **Pusa Basmati** — High-yield hybrid with excellent elongation
- **Sella Basmati (Parboiled)** — Golden-tinted, firm-cooking — ideal for foodservice
- **Steam Basmati** — Steam-processed with bright white color and grain integrity
- **Brown Basmati** — Unpolished, higher fiber, for health food channels
- **Aged Basmati (1+ Year)** — Climate-controlled aging for concentrated aroma
- **Traditional Long Grain** — Classic milled white for everyday retail
- **Non-Basmati Long Grain** — Institutional-grade long grain for foodservice
